

THE GUERNSEY GREEN FUND

Guernsey has introduced the world's first regulated green investment fund product.

GUERNSEY GREEN FUND

A Guernsey Green Fund (GGF) must be established with the objectives of:

Seeking a return
for investors

Spreading risk

Mitigating
environmental damage

By investing in a Guernsey Green Fund, Investors can be assured that their investments have a positive environmental impact on the planet which are being monitored against internationally-recognised criteria.

HOW IT WORKS

1. Establish a Guernsey fund, choosing from any of the island's existing regimes.
2. Demonstrate compliance with the Guernsey Green Fund Rules.
3. Provide assurance that the fund is run in accordance with green criteria.

TWO ROUTES

The green criteria of the fund can be verified under one of two routes:

A certificate from a suitable independent third party that the prospectus meets the notified green criteria.

A declaration from either a Guernsey-licensed fund manager or administrator.
