

LONDON UPDATE - NOVEMBER 2019

13 NOVEMBER 2019

The latest update from London Representative Christine Gill

As well as visiting Guernsey to take part in our BD update, I was part of the Guernsey Green Finance event in London, helping host a family office and sustainable finance round table in London, where Guernsey resident and sustainable finance investor Stephen Lansdown was the key guest.

Another instalment of the Guernsey Seminar Series was held in London last week – Financing Technology Through Guernsey Funds. I was one of the GF representatives and the seminar attendees were very positive and engaged and look forward to a follow-up series.

As usual, I continued to host in-house presentations in London, meeting with law firms, brokerages and wealth management firms to talk about global distribution and our Reporting Global Trends in Family Offices research.
