

GUERNSEY - FAIR TAXATION, TRANSPARENCY AND SUBSTANCE

02 MARCH 2018

In light of the increased scrutiny that international finance centres are facing, Guernsey Finance has produced a factsheet looking to highlight some of the Guernsey key messages in relation to its standards of taxation, transparency and substance.

There is real merit in consistency of messaging and ensuring clarity and accuracy around those key issues, particularly in light of the EU Commission's 'screening process' of third countries, which saw the European Council of Finance Ministers (ECOFIN) announce at the end of 2017 that Guernsey was deemed a cooperative jurisdiction.
