

CAPTIVE INSURANCE

25 JUNE 2018

The final choice a risk manager will make in respect to the establishment of a captive insurance company is its domicile – the jurisdiction in which it is incorporated (and, often, tax resident) - but the choice remains an important one if the captive insurance company is to achieve its objectives and those of its parent.

Guernsey boasts a business-friendly environment in which to domicile a captive insurance company with a tax neutral environment, pragmatic regulator and risk-based solvency regime, and a wealth of expertise and experience on which to draw.

WE ARE GUERNSEY is the brand under which Guernsey Finance promotes the island's financial services sector internationally. Guernsey Finance - the promotional agency for the island's finance industry internationally - is a joint industry and Government initiative responsible for the promotion of Guernsey. Under the leadership of Chief Executive Dominic Wheatley, the agency ensures that the core values and competencies of the island's finance sector are accepted and respected by the global community and that financial business development flows are enhanced.
