

GLOBAL DISTRIBUTION MAP FOR GUERNSEY FUNDS

28 JUNE 2018

A Guernsey fund enables managers to reach markets representing 80% of global wealth and provides the ideal environment for asset managers to pool capital and enable efficient investment.

Asset managers will find a business-friendly tax, legal and regulatory environment for fund domiciliation in Guernsey. The risk-based supervision provided by the Guernsey Financial Services Commission is also well-regarded by institutional investors from all over the world.

Guernsey provides 'four corners of the globe' distribution

A Guernsey-domiciled investment fund reaches the parts of the globe asset managers want to reach.

Institutional investors in more than 50 jurisdictions across five continents can be accessed with a Guernsey fund, including those in major economies including the United States of America, the European Union, and China.
